

EC3 TUTORING SERVICES

Tutoring Mission

To provide individual, academic support to improve students' performance and instill confidence in students' academic skills.

Tutoring Services

- One-on-one, course-specific tutoring
- Peer tutors have been recommended by staff and faculty
- Enrolled students may be tutored for 1 hour per week/per course
- Tutoring is offered to enrolled students free of charge

Writing Services

Writing tutors can help you with any stage of the writing process:

- Understanding the assignment's instructions
- Brainstorming
- Developing a strong thesis
- Outlining your paper/assignment
- Proofreading rough drafts
- Citations

How to schedule a tutor

- Email advising@ec3pa.org.
- If a tutor is not readily available, staff will try their best to find you a tutor in a timely fashion.
- Appointments are available in-person and virtually.
